

Limited Warranty – Commercial and Residential Applications

Aristech Surfaces LLC (“ARISTECH”) warrants to the original purchaser of any of its manufactured solid surface products that ARISTECH will, at its option, repair or replace the product if such product fails due to an ARISTECH manufacturing defect which is discovered during the first ten (10) years after the initial purchase, subject to the limitations set forth in this Limited Warranty.

This Limited Warranty applies only to Avonite Surfaces products that have been fabricated and installed by an authorized ARISTECH fabricator or installer in accordance with the installation instructions provided by ARISTECH; which have been used as recommended; and which have failed due to a manufacturing defect and not from damage caused by physical abuse, structural movement, excessive heat, or breakage not due to a Company defect in the manufacture of the material. This Limited Warranty does not cover damage caused by failure of any adhesive, caulk or other accessory, or failure of any caulked or filled joint or seam. This Limited Warranty covers the product for normal interior use in the United States, Mexico and Canada and does not cover the product moved from its original place of installation. Labor charges incurred during any installations are not included under this Limited Warranty.

This Limited Warranty does not apply to ARISTECH’S ADVANC3 solid surface product, which is covered by a separate one-year limited warranty.

This Limited Warranty applies to Avonite Surfaces products that are purchased after January 1, 2015, and maintained as described by Avonite Surfaces care and maintenance guide. (The care and maintenance guide may be found on the Avonite Surfaces website at www.avonitesurfaces.com.) You may obtain coverage by providing proof of the date of initial purchase. For service under this Limited Warranty, you must notify ARISTECH in writing, providing your name and address, a description of the product involved, the nature of the defect or failure, and proof of purchase and date of purchase. Repair or replacement shall not include any labor charges. This Limited Warranty is non-transferable and non-assignable.
